Dear BIGGA Central Section Member

Happy New Year! The STRI, in association with BIGGA Central Section and The Scotts Company, would like to invite you to a seminar at The Castle Course, St Andrews on the 24th February, entitled...

“The Art of Objective Greenkeeping & Environmental Management”

The full day programme is enclosed and I hope you will find the subject matter interesting. We all aim to have an enjoyable day topped off with a good stroll around a very special golf course.

Gary Smith of The Scotts Company has kindly agreed to sponsor the event, which means there is no charge for attendance or for the buffet lunch that will be provided.

As places are limited, please can you confirm your attendance by contacting Gordon Moir by email on gordon.moir@standrews.org.uk or by telephone (01334 466603 or 07850 139799).

We all look forward to seeing you on the day.

Kind regards
