

Barenbrug and Greentech Sportsturf Ltd invite you to attend an exclusive open day at Carnoustie Golf Club.

Join us at Carnoustie where we'll be discussing the latest developments in grass and how this will benefit your golf course.

Thursday 14 April 2011

10.30am to 3.30pm

@ The Carnoustie Golf Hotel

(The Links, Carnoustie, Angus, DD7 7JE - please go to hotel reception on arrival)

The open day will include presentations:

- **Jayne Leyland:** A Breeder's dream to a Scottish green
- **John Philp MBE:** The Golf Ball – Development and Ball Turf Interaction
- **Richard Windows/Jay Dobson:** The STRI Programme - The New Agronomy
- **David Greenshields:** Grass Seed Solutions for UK Golf Courses - Recent Research and Development

This a great opportunity to learn more about how the right choice of grass can vastly improve your golf course.

We hope you can join us

RSVP your attendance by calling Barenbrug on **01359 272000** or email **marketing@baruk.co.uk** by **31 March 2011**.
